

NAVONA

A RELIABLE PARTNER, WHO DELIVERS ON PROMISES

Company

NAVONA is a vertically-integrated Italian cabinetry brand, manufacturer, and importer, offering a wide range of kitchen, bath, closet systems and interior doors, operating in the US contract market for the past 10+ years.

NAVONA provides a bespoke "**family feeling**" by offering an extensive range of materials, finishes, hardware, and colors; we create customized combinations that perfectly align with our clients' project's vision and budget.

NAVONA offering represents, for our customers, a viable "**value for money**" solution in *Contract Projects*.

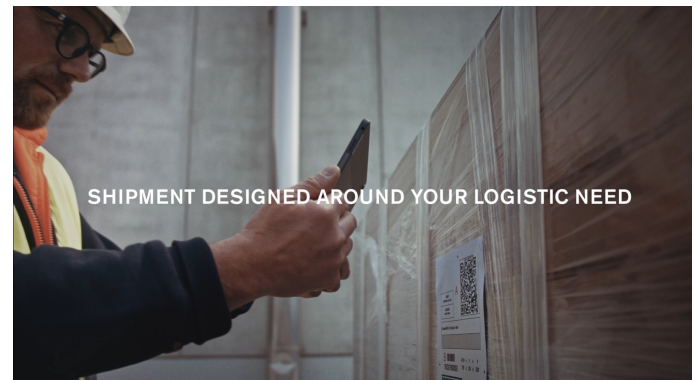

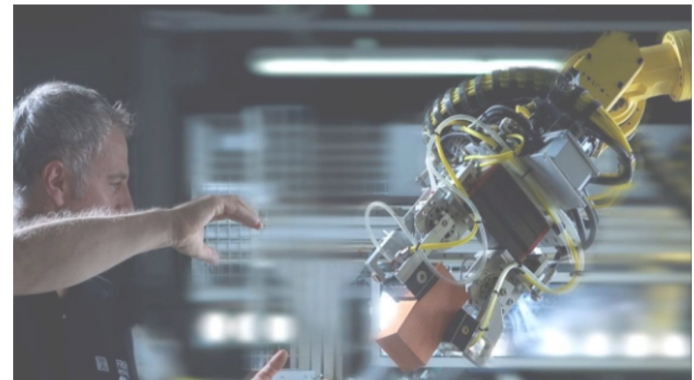

NAVONA, is a **VETTii** Group brand.

Excellent Service

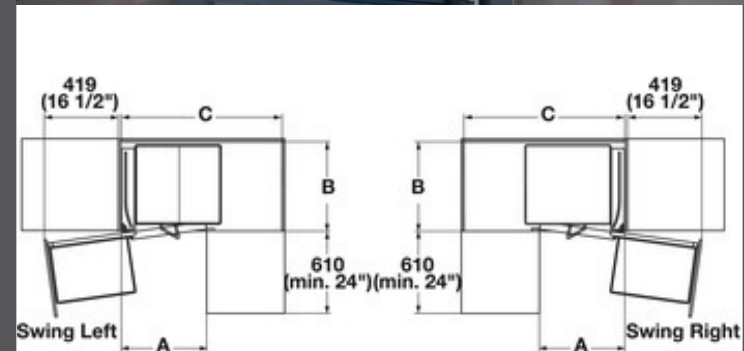

- From the bid phase to installation, our team provides “value engineer options” to improve costs, installation and prompt issues resolution.
- Our dedicated operations team ensures that every project is handled with utmost care and attention to detail, from concept to delivery.
- Tests are performed to secure product compliance for raw materials and finished products and ensure product durability.
- We manage all the shipping phases and through our professional team we coordinate end to end logistics according to the client’s needs to meet deadlines (warehouse services available upon request).

Product Quality

- NAVONA products are procured from the highest quality sources and rigorously **tested** for durability and performance.
- Extensive range of materials that **withstand** daily wear and tear (moisture- resistant options to protect from humidity and fire).
- High quality **hardware** and customizable inserts.
- Improve the kitchen **experience** creating a well-organized and user-friendly space.
- ADA cabinets designed to meet the requirements and measurements set out by the American Disabilities Act, to improve accessibility for access-challenged individuals.

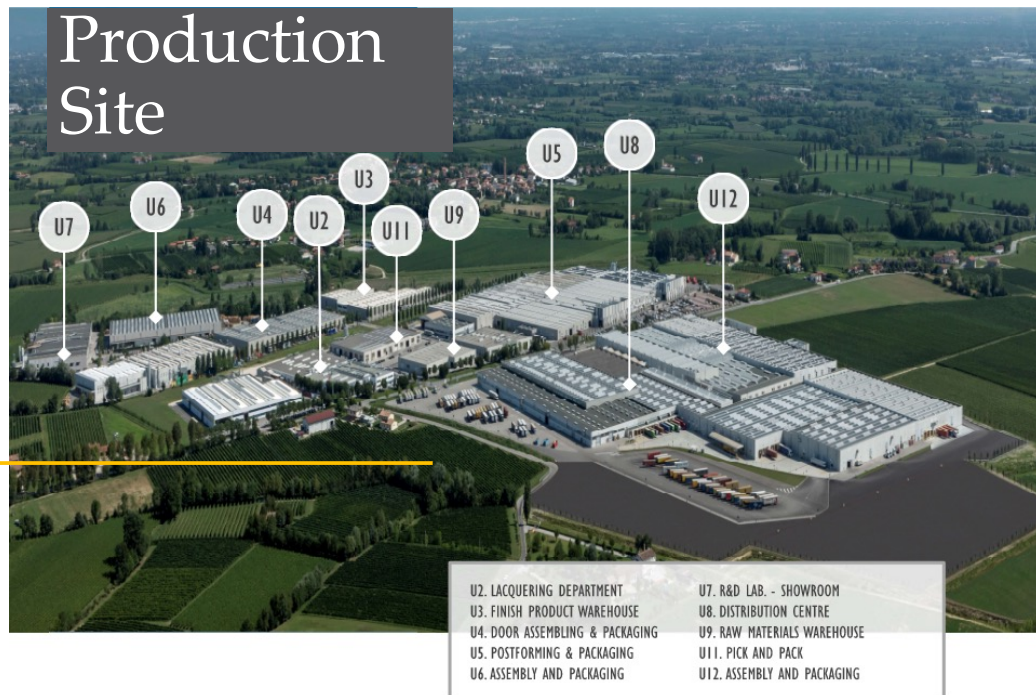

Made in Italy

Manufacturing facilities located in the Italian “**Kitchen District**”, a geographical area in the Northeast with:

- Several decades of industrial **strategic know-how**.
- Main hub for **design** and **product innovation** in our industry, with **direct** access to materials before they are available in the market.

Sustainability

NAVONA supports a sustainable environment:

- Certified high-quality materials sourcing.
- Custom manufacturing process.
- Certified sustainable products and finishes.
- Responsible forestry wood materials.
- Formaldehyde free cabinetry.
- VOC free painted surfaces.

A modern, minimalist kitchen and living area. The kitchen features a central island with a wooden countertop and a black circular stool. The cabinetry is a mix of light grey and wood. A large glass wall on the left side provides a view of the outdoors. Track lighting is installed on the ceiling. The overall aesthetic is clean and contemporary.
